CHAP.2

Students will write and respond to one of the following quotes. (5-10 minutes)

**“IT’S BECAUSE YOUR’E A
SAP — A TRIPLE-PLATED,
SPOON-FED, ONE-GALLUS
SAP.”**

Sadie Burke –Chapter 2

Sadie tells Willie how he has been manipulated during the first run for governor. Because of this revelation, Willie undergoes a transformation. He rejects honest methods and adopts corruption as a way to get what he wants. Also Willie seems to want to get revenge on the people who made him a sap. So his transformation is fueled by his anger he feels about being manipulated not because he wants to do good for people

**“SOMETIMES SLEEP GETS
TO BE SERIOUS AND A
COMPLETE THING.”**

Jack Burden – Chapter 2

Jack describes what it feels like being immersed in the Great Sleep. During the Great Sleep, Jack dozes for long hours, and when he is awake, his senses seem dulled to the world around him. In this way sleep seems like a “complete thing” because it encompasses his life. Jack enters the state of being when he wants to avoid these problems. The Great Sleep has a passive-aggressive quality: while in the Great Sleep, Jack seems resentful about idealistic Adam’s success.
