A student shall submit excuses for all class absences to the instructor within three class days after returning to class.

EXAMINATIONS: 4 exams will be given along with a comprehensive final. This along with a homework score from Webwork will comprise the grade for the class. Webwork will count for 40 points.

GRADE DETERMINATION PROCEDURE: A grading scale with the usual ten point cut-offs will be used: A=90%-100%, B=80%-89%, C=70%-79%, D=60%-69%, F=59% and below. Your grade will be computed by dividing the total number of points you earn on tests and exams by the total number of possible points.

EXAMS MISSED: For EXCUSED absences, the instructor may (at his discretion) allow a makeup test or replace the missed test grade by the grade from the final exam.

STUDENTS NEEDING SPECIAL ACCOMMODATIONS: Students needing testing accommodations or classroom accommodations based on disability are encouraged to discuss the need with me as soon as possible.
