

G. Group Participation (Group Project Only)

1. You did not participate in your group. You did not attend group meetings, did little or no work on your own, nor did you contribute to the work of the group.
2. You participated minimally in the group, attending some of the meetings, doing a little work on your own, and contributing slightly to the work of the group.
3. You participated adequately in the group, attending most of the meetings, working on your own, and actively contributing to the work of the group.
4. You played a major part in the group project, attending the meetings and helping lead the group. You did substantial individual work, and made a significant contribution to the work of the group.

Group Projects--General Guidelines

DILBERT

I shall grade your group project based on:

- i. its organization
- ii. its textual content (around 500 words)
- iii. its use of HTML elements (format, graphics, links, etc.)
