

Louisiana Tech University Living With The Lab

Summer 2009 Workshop Assessment

We have several objectives for the LWTL Summer 2009 workshop. Please indicate how well you feel these objectives were achieved by placing a check in the box above your choice. The objectives of the LWTL Summer 2009 workshop are to provide for workshop participants:

- hands-on experience with the LWTL curriculum similar to student experiences.

			1	1	8	11
objective not achieved at all	objective only slightly achieved	objective partially achieved	objective achieved to a limited extent	objective somewhat achieved	objective mostly achieved	objective fully achieved

- experience with Parallax Boe-Bot (the selected platform for the LWTL curriculum) and its capabilities.

				2	9	10
objective not achieved at all	objective only slightly achieved	objective partially achieved	objective achieved to a limited extent	objective somewhat achieved	objective mostly achieved	objective fully achieved

- personal experience with LWTL student activities such as fabrication and calibration.

				1	7	13
objective not achieved at all	objective only slightly achieved	objective partially achieved	objective achieved to a limited extent	objective somewhat achieved	objective mostly achieved	objective fully achieved

- personal experience with LWTL projects with a sense of the level of difficulty of the projects.

					6	15
objective not achieved at all	objective only slightly achieved	objective partially achieved	objective achieved to a limited extent	objective somewhat achieved	objective mostly achieved	objective fully achieved

- insight into the methods of the faculty teaching in the LWTL curriculum.

				6	6	9
objective not achieved at all	objective only slightly achieved	objective partially achieved	objective achieved to a limited extent	objective somewhat achieved	objective mostly achieved	objective fully achieved

- insight into the foundational educational philosophy leading to the development of LWTL curriculum.

		1		4	9	7
objective not achieved at all	objective only slightly achieved	objective partially achieved	objective achieved to a limited extent	objective somewhat achieved	objective mostly achieved	objective fully achieved

- insight into issues associated with developing, delivering, and sustaining the LWTL curriculum.

				7	7	7
objective not achieved at all	objective only slightly achieved	objective partially achieved	objective achieved to a limited extent	objective somewhat achieved	objective mostly achieved	objective fully achieved

- discussion opportunities for exporting aspects of LWTL curriculum in first-year engineering.

				3	6	12
objective not achieved at all	objective only slightly achieved	objective partially achieved	objective achieved to a limited extent	objective somewhat achieved	objective mostly achieved	objective fully achieved

- examples of relationship between projects and fundamental engineering concepts in LWTL.

				2	4	15
objective not achieved at all	objective only slightly achieved	objective partially achieved	objective achieved to a limited extent	objective somewhat achieved	objective mostly achieved	objective fully achieved

- a fun relaxed atmosphere to collaborate on developing first-year engineering curricula.

					1	20
objective not achieved at all	objective only slightly achieved	objective partially achieved	objective achieved to a limited extent	objective somewhat achieved	objective mostly achieved	objective fully achieved

- assistance and accountability for improving your first-year engineering curriculum.

				4	8	8
objective not achieved at all	objective only slightly achieved	objective partially achieved	objective achieved to a limited extent	objective somewhat achieved	objective mostly achieved	objective fully achieved

- opportunities for partnering with LWTL for further development of first-year engineering curricula.

			1	3	7	9
objective not achieved at all	objective only slightly achieved	objective partially achieved	objective achieved to a limited extent	objective somewhat achieved	objective mostly achieved	objective fully achieved
